2006 best of springfield readers' poll

voted best restaurant & best wine list

Co-owners Ralph Santaniello and Michael Presnal (also the head chef) work to make their four-year-old restaurant elegant but comfortable. The menu is contemporary American, with strong Italian and French influences, while the wine list focuses on French, Italian and California, presented so as to appeal to aficionados and novices alike (wines are grouped by body, with information on the region and kinds of grapes used).
